- Monday, September 14, 2015 Election of Officers:
Polls will be open from 2PM to 6PM
at the Sorrento Community Building.

The following Monday, September 21, 2015
the remaining business under the warrant will be conducted
beginning 7PM at the Community Building.

Dedication

Priscilla (Pat) and Casper (Bud) Clark

Priscilla was born on July 12th, 1929, daughter of Clinton and Leota Barrett of Gardiner, Maine. Her family moved to Sorrento in 1936. Casper was born on October 7th, 1930, son of Lyle and Doris Clark of Sullivan. Bud served in the Korean War from 1949 to 1952. They were married on October 29th, 1952 in Franklin. They built a house in Sorrento in 1954. Priscilla taught school in the Gouldsboro area. Bud and Pat have a son, Joey Clark, who also lives in Sorrento. Bud worked for years in his heating, plumbing, oil and gas company, C.W. Clark Oil Company. Bud has been on the Sorrento Fire Department since 1955. Pat was a red phone dispatcher for the Sorrento Fire Dept. for 16 years. They have been married for 63 years.

(In the days before our Fire Dept. had radios,
people in an emergency would call 422-3377 to use a red phone system.
That would ring three phones in Sorrento and three in Sullivan.
The dispatchers would find out what the emergency was and
call our volunteer fire fighters.)

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at 1-800-432-1599. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at www.king.senate.gov.

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Sincerely,

ANGUS S. KING, JR.

Paul R. LePage
GOVERNOR

March 30, 2015

Town of Sorrento
79 Pomola Ave
Sorrento, ME 04677-3126

Dear Citizens of Sorrento,

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Not only does an income tax cut put more money back in your pockets, but it will attract businesses that can offer good paying careers to keep our young people here in Maine. Further, this tax cut maximizes one of our existing resources — tourism — and ensures the millions of visitors who come to Vacationland each year contribute their small part to our economy.

Simply put, this proposal results in an immediate pay raise for all of you hard-working Mainers. It creates stronger and even more vibrant communities as we show people that we are serious about wanting people and businesses to come — and stay — in Maine.

If we are to make Maine prosperous, we must also work hard to reduce our heating and energy costs. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to affordably and effectively heat and power their homes.

And finally, it is of utmost importance that we begin to address the growing drug problem in our state. Maine's people are its most precious commodity, and our safety is being threatened by the drugs that are entering our state each and every day. My goal is to face the problem head on by employing more drug agents, prosecutors and judges before the epidemic destroys our communities.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

Town of Sorrento, Maine

2016 Assessor's Notice

In accordance with Title 36, M.R.S.A., Se. 706, as amended, the Assessors of the Town of Sorrento hereby give notice to all persons liable to taxation in said municipality, that they will be in session at the Town office in said municipality on the 1st of April 2016 at 7:00 PM for the purpose of revising lists of the estates taxable in said municipality.

Owners

All persons liable to taxation in the Town of Sorrento, Maine and all Administrators, Executors, Trustees, etc, of all estates taxable in said municipality of such persons are hereby notified to furnish to THE ASSESSORS TRUE AND PERFECT LIST OF ALL THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 2016 and be prepared to make oath to the truth of the same and to answer all proper inquiries as in writing as to the nature, situation and value of their liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator, or other such persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate have been wholly distributed and paid over.

Persons Doomed

And any person who neglects to comply with this notice is hereby barred to his right to make application to the ASSESSORS or any appeal therefrom, for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

Blank schedules will be furnished at the Assessor's Office on application

SORRENTO FIRE DEPARTMENT

The Sorrento Fire and Rescue department responded to 109 calls from July 2014 to June 30, 2015. Sixty-four of these calls were Emergency Medical Services related within the town as well as mutual aid calls from surrounding towns. The forty-five fire related calls ranged from residential fires including chimney fires, brush and grass fires, control burns, trees down across roads and wires, utility lines down, alarms sounding, false alarms, motor vehicle accidents, landing zone set-up, water pipe breaks, mutual aid and standby for other departments and rescue boat utilization. There were fifteen training opportunities that included live fire training in Hancock, how to run the ladder truck, mass causality exercises, boat handling, pumper training, tactical consideration of reading smoke, SCBA refresher, FEMA workshop, EMS certification training, as well as Occupational Safety and Health Administration (OSHA) training that included blood borne pathogens, fire extinguishers, Hazardous Materials, and Traffic Control. These trainings help keep the Department current and compliant. The department also had twenty-one work sessions for the year in and around the fire station or vehicles that involved countless numbers of man hours. In all the men and women of the Sorrento Fire Department answered the call to duty 145 times for fire calls, EMS calls, training sessions, or work sessions.

Mutual aid calls also give the department an opportunity to utilize the skills that have been learned in other than a training scenario. These mutual aid agreements with the surrounding towns keep the department busy, but to know that other departments will be there if and when needed is great. The department's membership and mutual aid agreements with the departments of the Schoodic Region Emergency Services Association (SRESA) consisting of Eastbrook, Franklin, Gouldsboro, Hancock, Sullivan, and Winter Harbor, provide a way to address critical manpower shortages experienced by all volunteer organizations throughout the day and night. In addition, SRESA provides a forum for semi-monthly meetings to discuss mutual trainings, equipment updates, NFPA requirements, and issues involving fire/EMS training and equipment compliance at both the state and federal level.

Routine maintenance on all of the equipment and apparatus is a critical issue to insure their operation in times of emergency. Not only does this maintenance keep personnel familiar with the operation of the equipment and apparatus but also serves to catch problems early enough to have less effect on their use and the budget. Periodic oil changes, lubrication, and the correction of problems that surface as the apparatus is used are also all part of this maintenance. In addition, the fire station is maintained and repaired as needed.

Deputy Chief Dwayne Clement continues to manage the paperwork from the various governmental agencies and the insurance companies that keep the department current and compliant. This requires constant updating of department records to avoid possible fines during a spot check by one of the agencies. His efforts are behind the scenes, but are time consuming and essential. Likewise Assistant Chief Brian Clement spends many hours inputting data into the computer program for the National Fire Incident Reporting System (NFIRS). This fulfills department and grant requirements as well as adds to the national data base on the types of calls that fire departments nationwide experience. His unseen but essential efforts are key to keeping the department compliant.

The delicate balance of keeping expenses in check but also keeping the department's equipment updated and in good condition is the work of the finance committee. The committee is well aware of the economic realities of today and will continue to try not to significantly impact the overall Town budget. Donations from residents provide the department with additional funds that continue to supplement the annual budget. The careful management of the budget funds and the donations has given the department the opportunity to offset costs without any over expenditures.

Grant monies are sought on a regular basis. The grants, such as the Forestry Grant and Maine Municipal Association grants, if obtained after competition with hundreds of other applicants continue to provide the department with help to offset costs of mandated equipment or obtain equipment otherwise not able to be afforded. The 2013 Department of Homeland Security FEMA grant for a new tanker truck awarded in July of 2014 has kept the finance committee and the truck committee very busy. Fourteen meetings were held from July 2014 through June 2015 to review the department specifications, meet with manufacturers of fire apparatus, and finalize the contract and the specifications for the truck. Also, there were and continue to be numerous telephone conversations as the truck delivery date draws near.

Memories of this past winter as more of a typical Maine winter with long periods of cold and lots of snow are still vivid and predictions for the coming winter offer more of the same. As winter approaches, the department would like to remind everyone that access to your property as the snow piles up is essential for both the fire department and emergency medical services to be able to making a timely entry. The better the access is the better the chance should be of a good outcome if help is needed. The use of alternative heat sources brings a reminder of more awareness of home fire safety.

We would like to thank the residents of the Sorrento community for their cooperation in practicing fire prevention and fire safety. Remember burn permits are required and must be obtained before you burn. Also, the department urges everyone who may use fireworks to carefully follow the safety procedures provided to you when you purchased them. Please help us help you to have yet another fire safe year.

Please report any sightings of fire, smells of smoke, wires down, trees on wires, or trees in the road as soon as possible by calling 911 immediately. Do not touch or attempt to move any wires that are down. It is much better to have us investigate and find nothing or something small before it gets out of control. Proper house numbering helps us find the scene faster at a time when seconds count in averting a tragedy. It is very important for all of us to be very observant in keeping our neighbors and town fire safe.

New members are always welcome to join the special group of men and women who are the Sorrento Fire Department! We will be glad to answer any questions you might have. There are plenty of things that must be done to keep the fire station and department running and you just might find out you would like to help us. We also encourage residents to stop in when you see us at the station. We will be glad to show you around!

We appreciate the support given to the department by the residents of the town and will continue to strive to fulfill our mission of protecting life and property.

Have a happy and safe upcoming holiday season and 2016.

The Sorrento Fire Department

**SORRENTO FIRE DEPARTMENT
2015/2016 BUDGET**

EQUIPMENT	1,000.00
EQUIPMENT MAINT.	600.00
SPECIAL EQUIPMENT	2,000.00
TRAINING/EDUCATION	600.00
FIREFIGHTER PPE	1,800.00
FIREFIGHTER EXPENSES	500.00
COMMUNICATIONS	5,600.00
VEHICLE FUEL	4,000.00
VEHICLE MAINT.	14,000.00
UTILITIES (TOTAL)	4,740.00
HEAT	3,000.00
ELECTRIC	900.00
TELEPHONE	440.00
WATER	400.00
BUILDING MAINT.	1,325.00
MISC.	600.00
TOTAL	36,765.00

The 2015/2016 budget represents no increase over the 2014/2015 budget. This budget marks the ninth year in a row that no budget increase has been sought. Increasing costs to the Fire Department particularly mandated yearly equipment maintenance and inspections as well as equipment repairs and upgrades and fluctuating prices have continued thus far to be managed by the department through a combination of the budget, grants, and the donations made by the residents. The Fire Department understands very well the economic realities faced by everyone and continues to try to have as little impact as possible on the overall Town budget but still fulfill its mission to serve and protect.

SORRENTO RESCUE/EMS REPORT

The year of 2015 has been another busy one for the Sorrento Rescue/EMS.

The total number of calls answered by the department was 84 of which 28 were in Sorrento and 56 were in the mutual aid coverage area. Calls included people who were sick, fell, suffered heart attacks or strokes, lacerations, bee stings, motor vehicle accidents, and water rescue duty. Our mutual aid agreements with Sullivan and other members of the Schoodic Region have provided the opportunity to give more complete coverage to the area in the event that personnel are not readily available. Although mutual aid keeps the department busy, it does allow the members to put their skills to good use and at the same time know that help from other towns is available if need be.

Department members must take Continuing Education Hours (CEH) as required by Maine State law to keep their licenses current. These courses insure that the members have the skills to help you in your time of need regardless of what the problem might be. Fifty-eight course hours must be taken every 3 years to renew a basic life support license. Training is essential and takes a lot of unseen man hours both on the computer and actual class time to acquire.

Please remember to call 9-1-1 for any kind of emergency. In order to help us find you quickly, please be sure your 9-1-1 address numbers are correct and visible. This is especially important when other departments are coming to assist us in helping you. Remember, minutes count in the event of an emergency. As winter approaches, the department would like to remind you that easy access to your property and you is essential in case of an emergency.

The department wishes to thank all the residents who have donated to the Sorrento Rescue/EMS. These donations help to purchase needed medical supplies and equipment so that the department can be there when you are in need.

The department is always looking for new members for the Sorrento Rescue/EMS team. If you have any interest, please contact us.

A big thank-you goes out to all the members for their dedicated service. Also, another big thank-you to the families of the members for their understanding of the time required to volunteer to assist those in need.

Dwayne Clement
Sorrento Assistant EMS Director

August 1, 2015
Code Enforcement Officer

Hi Folks! I am excited and happy that I was selected to serve as the Code Enforcement Officer for the Town of Sorrento. I have met a few of the residents so far and look forward to meeting many more as we move forward.

The title of Code Enforcement covers only part of the role of the position. The other and what I view more important role will be to help property owners understand and interpret the various land use and zoning ordinances we have which are local, state and federally mandated. This will make it easier for the whys and wherefores to be answered and compliance to be less burdensome.

As a little background information, I am a resident of Gouldsboro and a small business operator. I am also the Code Enforcement Officer for the Town of Gouldsboro. I spent 30+ years in the commercial and industrial construction industry. My wife Cheryl and I run a seasonal kayak and bicycle outfitter operation among other endeavors to make ends meet in Downeast Maine.

I am available on an as needed basis. Feel free to call me, 207 963-5806, with any questions or concerns or stop in at the Town office for an application for permit. Esther alerts me as soon as anything comes up.

This past year was on par with the previous year which represented an 85% increase from the two years before. From July of 2014 to July of 2015 there have been 15 permits issued from this office:

- 2 – New residences
- 4 – Building additions
- 6 – Garage or storage buildings
- 3 – Site-prep or driveway

I certainly hope this upswing represents sustained growth and not just increased compliance but either way it shows promise for our future.

Respectfully Submitted
Ed Brackett

Sorrento Planning Board Report

Current Board members are: Lisa Heyward, John Dedam, and Dan Bierman Jr. The Planning Board would like to thank Gerry Mehl for his contributions this past year. Unfortunately, Gerry was unable to continue his work with us and he will be missed. The Board would also like to extend our sympathies to the family of John Fuhrman, who in his role as Code Enforcement Officer (CEO) was essential to the Board's understanding of Town matters and assisting us in setting out our goals for the year. Ed Brackett is the Town's new CEO and has been extremely helpful advising the Planning Board as we developed the revised Shoreland Zoning Ordinance. We very much look forward to working with Ed on future projects.

Currently there are two positions open on the Planning Board and we would encourage anyone interested to please contact the Town office.

The Board is pleased to present a revised Shoreland Zoning Ordinance to the voters this year. Many of the errors and omissions found in the existing ordinance have been addressed. The State has also provided the Town with much more flexibility in dealing with hazardous trees in the Shoreland zone. The Board has been busy reviewing building permits and meeting with County and local officials. Thanks to the efforts of Chairman Heyward and CEO Brackett, the Sorrento Planning Board has developed good working relationships with State officials on planning board matters, and we look forward to working with all parties involved as we move forward.

With the upcoming year the Planning Board will turn its attention to the Town's existing Land Use Ordinance. As with the Shoreland Zoning Ordinance, corrections and clarifications to the Land Use Ordinance are needed. Hopefully the Board will have a revised ordinance ready for the voter's consideration at next year's annual meeting.

As previously mentioned, the Board would like to explore the possibility of developing a Sub-Division ordinance for Sorrento. As it now stands, any proposed subdivision planned for the Town would have to follow existing State of Maine statutes. The Planning Board feels that the Town should have a role in the process of subdivision planning and will continue to discuss and consult on the matter.

Lastly, the Board still intends on providing an e-mail account for residents use on issues related to zoning and land management here in Town. The events of this past year have put this on the back burner; however we will work to make this happen and publish the details in a future Town newsletter.

Respectfully
The Sorrento Planning Board

As everyone knows, your assigned numbers are supposed to be displayed where they can be seen by the emergency personnel, fire fighters and anyone else you might need to respond to your home in case of an emergency.

If you owned a piece of property that you are dividing up in to more than one lot, each of those newly created lots must have their own assigned number. Or If you have bought a piece of property and there is no number assigned to it, you will need to contact the 9-1-1 Addressing Officer and have a number assigned to it. You cannot give the property a number on your own. This is all done through the numbering system set up by the State of Maine. Please contact the Addressing Officer at (207)422-3026 to have your number assigned and then this makes it much easier to get things started for your building plans.

Again....if your numbers are displayed prominently, then you know that you are going to get help much quicker when needed, as they can be seen by those who are responding to them.

**Judith High
Sorrento E9-1-1 Addressing Officer**

PUBLIC SAFETY REPORT

A big thank you goes out to all the residents of the Town of Sorrento for their safety conscience in 2015. Your reporting of damaged, removed, or spray painted street signs provides the information necessary to repair or replace them as soon as possible. These signs are very important for emergency services personnel, especially fire, police, and medical, as well as utility companies to find the correct address.

Sorrento applied for and received a grant from the Maine Department of Transportation for the replacement of all traffic signs on town roads. The transition from the old signs to the new will hopefully be completed by late this fall.

A critical part of public safety is for residents to accurately use the 9-1-1 address that has been assigned to your place of residence. Your mailbox and/or home should clearly display your 9-1-1 address to allow quick identification.

As the fall and winter seasons approach, residents are urged to check over those items they feel they will need ahead of time rather than at the last minute. Please check carefully any alternative heat sources before using them. Smoke and CO2 detector batteries should be replaced as the clocks are turned back one hour on October 31, 2015. Also, easy access to your property and residence should be maintained for everyone's safety.

Have a safe and healthy 2015.

Joey Clark
Sorrento Public Safety Officer

EMA REPORT

The Town of Sorrento did experience a cold and snowy winter but no major storms that caused wide scale damage in 2015. Some power lines and trees did go down but were addressed in a timely manner by the agencies responsible. Spring runoff from the melting snow and some rain presented a few problems.

In the event of a big storm, the fire department will be out checking for damages such as trees and overhead wires down, and washed out roads. Reports by the Town residents regarding their neighborhoods are a great help to the fire department and are appreciated. Remember: DO NOT GO NEAR a downed line or one that is tangled in a downed tree. CALL 9-1-1 to have the fire department dispatched to check it out. The fire department has a special tool that will indicate if a downed line is one that is electrically charged or not.

The continuous use of and training in the Incident Command System (ICS) is a major focus to keep fire department up-to-date and compliant. The time and effort to do the training and make use of the ICS by the emergency services personnel is greatly appreciated.

Likewise, the continued cooperation of the residents of the Town of Sorrento is very much appreciated.

Joey Clark
Sorrento Emergency Management Director

ROAD COMMISSIONER REPORT

During 2015 some patching of the pavement was accomplished as well as the graveling and grading of all Town dirt roads. On some of West Shore Road and Ocean Avenue the road sides were ditched and culverts were cleaned. More work will be done this fall. Roadside brush cutting and removal will start again this fall as well.

A review of the roads considered to be in the poorest condition is being discussed with the selectmen. This will help to determine which will have to be paved first or have crack sealer applied.

If you see or have a concern about the condition of a road or a hazard, please feel free to contact me.

Joey Clark
Road Commissioner

SORRENTO COMMUNITY BUILDING COMMITTEE

Over the past year at the Community Building has seen many uses including Sorrento's Annual Town Election and Meeting, federal and state elections, the July Sullivan Sorrento Historical Society meeting, the Annual Long Pond Water District meeting, meetings and classes for Sorrento Fire and Rescue, two meetings of SRESA (Schoodic Regional Emergency Services Association), the Annual Auxiliary Children's party, and numerous birthday parties and family dinners.

DOANE'S POINT CEMETERY

Report to the TOWN OF SORRENTO from the BOARD OF TRUSTEES

August, 2015

The major work of the Trustees this last year, other than the normal care and maintenance of the Cemetery, was directed toward creating and adopting a more up to date set of by-laws and obtaining IRS approval of our ability to accept gifts for the care and maintenance of the Cemetery that are tax deductible on the donor's tax return.

We met with the Selectmen and reviewed with them the history of the cemetery, the years' activities and requested that one of them join the Board. We reviewed with them the work done on the Sullivan section of the Cemetery and provided them with some ideas of needed work.

We discussed the need for an appropriation from the Town for both parts of the Cemetery.

There were no lots sold this year. There was one burial.

Our next big project will be to survey and design the layout of the new section.

Respectfully submitted,

Crosby Noyes, Pres.
Bradford Wellman, Sec.

Board of Directors
Sorrento-Sullivan Recreation Center
1776 US Highway 1
Sullivan, ME 04664

19, 2015

2014-2015 ANNUAL REPORT

The Board of Directors wish to again thank the voters and taxpayers of the Towns of Sullivan & Sorrento, for their generous support for the past fiscal year.

A heat pipe in the Library froze and broke causing damage to the library rug, and to the tile and subfloor in the back library area. Also the ceiling under the library was damaged. We are waiting for a report from the insurance adjustor as to the estimated cost of damage and repairs.

We thank everyone who has donated time to improve the recreation center.

Rentals are going well with a greater variety of uses.

Thanks again to Greg Ring for bush hogging the field.

The "Thrift Store" is still a huge success. Donations gladly accepted.

If you have anything to donate, please call us at 422-6282. Gail Brown has taken the reins and is doing a terrific job. Thank you to all the volunteers who help out. A great big thanks to Hazel Phinney and Evelyn Carpenter. Come check us out. Prices are really great. Money earned is split between the Recreation Center and the Sullivan Pet Project. The Thrift store will miss Hazel Phinney who gave up running the store on Tuesdays and helping on Saturdays. Thank You Hazel for your dedication.

We had all the cupboards replaced on the back side of the Kitchen. Thanks to Ray & Ryan Daley for a great job. We want to upgrade the counter at the front side when we can.

This past winter has been a tough one on everybody, we burnt a lot of fuel.

Again the board wishes to thank each and all who have donated time, money and support to the well being of the Sorrento-Sullivan Recreation Center.

Board members are Kristine & John Guyton, Mary Ellen Jones, Greg Turner, Helen D. Gordon, Myra Hornberger of Sullivan and Judy High, Hazel Phinney and Timothy Guyette of Sorrento.

Helen D. Gordon
President, Board of Directors

PS: if anyone is interested in serving on the Board of Directors, please contact us at 422-6282 ask for Kristine or Helen

LONG POND WATER DISTRICT
2014 Consumer Confidence Report

General Information

Water System Contact Name: Long Pond Water District

Address: 259 Punkinville Road

City, State, Zip Code: Sullivan, ME 04864

Telephone #: 207-422-3499

Fax#: N/A

Email: longpondwd@gmail.com

Report Covering Calendar Year: Jan 1 - Dec 31, 2014

Upcoming Regularly Scheduled Meeting(s): Upon request

Source Water Information

Description of Water Source: Surface Water Intakes: 1 (Long Pond)

Water Treatment & Filtration Information: Alternative

Source Water Assessment:

The sources of drinking water include rivers, lakes, ponds, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and radioactive material and can pick up substances resulting from human or animal activity. The Maine Drinking Water Program (DWP) has evaluated all public water supplies as part of the Source Water Assessment Program (SWAP). The assessments included geology, hydrology, land uses, water testing information, and the extent of land ownership or protection by local ordinance to see how likely our drinking water source is to being contaminated by human activities in the future. Assessment results are available at town offices, public water suppliers, and the DWP. For more information about the SWAP, please contact the DWP at telephone 287-2070.

Water Test Results

<i>Contaminant</i>	<i>Date</i>	<i>Results</i>	<i>MCL</i>	<i>MCLG</i>	<i>Source</i>
Microbiological					
COLIFORM (TCR) (1)	2014	0 pos	1 pos/mo or 5%	0 pos	Naturally present in the environment.
Inorganics					
BARIUM	4/7/2014	0.0028 ppm	2 ppm	2 ppm	Discharge of drilling wastes. Discharge from metal refineries. Erosion of natural deposits.
Lead/Copper					
COPPER 90TH% VALUE (3)	1/1/2012 - 12/31/2012	0.41 ppm	AL = 1.3 ppm	1.3 ppm	Corrosion of household plumbing systems.
LEAD 90TH% VALUE (3)	1/1/2012 - 12/31/2012	4.4 ppb	AL = 15 ppb	0 ppb	Corrosion of household plumbing systems.

Disinfectants and Disinfection Byproducts

POST OFFICE

TOTAL HALOACETIC ACIDS (HAA5) (7)	LRAA(2014)	38 ppb Range (0-76 ppb)	60 ppb	0 ppb	By-product of drinking water chlorination.
TOTAL TRIHALOMETHANE (TTHM) (7)	LRAA(2014)	56 ppb Range (21.6-48.5 ppb)	80 ppb	0 ppb	By-product of drinking water chlorination.

Chlorine Residual (Add chlorine residual information)

CHLORINE RESIDUAL	RAA	.27 ppm Range (.38 -.18 ppm)	MRDL=4 ppm	MRDLG=4 ppm	By-product of drinking water chlorination.
-------------------	-----	---------------------------------	------------	-------------	--

Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.

Inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.

Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.

Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production and can also come from gas stations, urban runoff, and septic systems.

Radioactive Contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial contaminants are available from the Safe Drinking Water Hotline (1-800-426-4791).

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing.

Long Pond Water District is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at: <http://www.epa.gov/safewater/lead>

Violations

No Violations in 2014

Waiver Information (to be included in the CCR for systems that were granted a waiver)

In 2013, our system was granted a 'Synthetic Organics Waiver.' This is a three year exemption from the monitoring/reporting requirements for the following industrial chemical(s): TOXAPHENE/CHLORDANE/PCB, HERBICIDES, CARBAMATE PESTICIDES, SEMIVOLATILE ORGANICS. This waiver was granted due to the absence of these potential sources of contamination within a half mile radius of the water source.

The Warrant

Hancock, SS State of Maine

To: Dwayne Clement,
Resident in the Town of Sorrento, in the County of Hancock

Greetings:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the Town of Sorrento, in said County qualified by law to vote in Town affairs, to meet at the Sorrento Community Building on Monday, the 14th of September, AD 2015 at 2 o'clock in the afternoon then and there to act on the articles numbered 1 and 2.

1. To elect a moderator.
2. To elect by Australian Ballot the following officers: One Selectperson for three years, one Tax Collector, Treasurer, Town Clerk, for two years, one Fire Chief for two years and one Road Commissioner for two years.

**The polls will open 2:00 pm and close at 6:00 pm at the
Sorrento Community Building**

And to notify and warn said voters to meet at the Sorrento Community Building on the following Monday, the 21th day of September, AD 2015 at 7:00 PM, then and there to act on the remaining articles , namely:

3. To set, raise and appropriate compensation for the following officers:

	Recommend:
Selectpersons	3,900 3,500 3,500 currently \$3,900 3,500 3,500
Tax Collector, Treasurer, Town Clerk	21,000 plus medical insurance salary currently \$20,500
Fire Chief	2,850 currently \$2,850
Road Commisioner	\$15/ hr as needed from Town Road Account

4. To elect three assessors and three general assistance officers and set compensation.
5. To elect Directors for the Sorrento Community Building to serve for one year.

6. To see what date the Town will set when taxes shall be due and payable, and to see what rate of interest the Town will set to be charged on said taxes unpaid after said date.

Recommend: 90 days after taxes are committed and 7.0% interest.

7. To see what sums of money the Town will vote to raise and appropriate in the following categories for the 2015-2016 fiscal year.

	Recommend:	Last Year:

9. To see if the Town will vote to raise \$20,000 for the Capital improvement Fund which is dedicated to the purpose of paying for high cost capital improvement expenditures incurred by the Town without abruptly raising taxes or obtaining loans.
10. To see if the Town will vote to approve each of the following proposed amendments to the Sorrento Harbor Ordinance:
 - a. Addition to section 4.1 (2): Maximum scope is to be 2.5 to 1 at high tide as measured from the stone to the bow chock.
 - b. Amendment to section 4.6: The Harbor Secretary will issue no more than 15 non-resident rowboat and mooring permits to five commercial and ten pleasure boat owners for Sorrento Harbor in any calendar year.
 - c. Addition to section 6.4: ... and must be maintained in a "bailed out" condition.
 - d. Amendment to section 7.3 Resident pleasure boat owners and persons renting residences at Sorrento shall have third priority.
11. Shall the Town vote to authorize the Board of Selectmen, on behalf of the Town, to join with other participating municipal and quasimunicipal employers in a Multiple Employer Welfare Arrangement for the provision of employee health benefits, as authorized by 24-A M.R.S.A. § 6601 et seq., said Arrangement to be known as the "Maine Municipal Employees Health Trust" (Health Trust); and for that purpose and in consideration of the mutual covenants and agreements among participating employers, to authorize the Board of Selectmen to enter into a Participation Agreement on behalf of the Town and take whatever other actions may be necessary. The authority granted herein shall continue until revoked.
12. To see if the Town will vote to approve the amended Sorrento Shoreland Ordinance.
13. To see if the Town will vote to raise and appropriate \$6,500 for the Sorrento Community Building to cover running expenses, with any remainder to be transferred into the Community Building Committee's checkbook
14. To see if the Town will vote to raise \$5,000 and appropriate \$10,000 from surplus for the Fire Truck Fund. Money from this fund can only be withdrawn by voter appropriation for Fire Truck replacement.
15. To see if the Town will vote to authorize the Selectmen to accept for the Town gifts or grants of money from Federal, State or private sources.

16. To see if the Town will vote to authorize the Selectmen to dispose of all property held by tax liens on such terms as they deem advisable, and execute quit claim deeds for such property providing any such sale is advertised in the Ellsworth American for 30 days prior to such sale so that all may have an opportunity to bid on same.
17. To see if the Town will vote to authorize the Selectmen to spend an amount not to exceed $\frac{1}{4}$ of the budgeted amount in each category of the 2015-2016 fiscal year during the period July 1, 2016 until the annual town meeting for the year 2016.
18. To see if the Town will authorize the Fire Department, with the Selectmen's approval, to dispose of surplus capital equipment in a manner that best benefits the Fire Department.
19. To see if the Town will vote to adjourn the meeting.

In the event that the municipal budget is approved under the proceeding articles, the tax levy will be under the tax levy limit of \$356,309.14 which was approved at the 2014 Annual Town Meeting.

The Selectmen hereby give notice that they will be in session at the Sorrento Community Building at 7 o'clock in the evening on Monday, September 21nd, 2015

Robert Wilke
Dawn Bierman
Amy B. Uls
